

Your Staff. Your Office. Your Success.

Established in 1995 and entering the franchising realm in 1999, Intelligent Office has revolutionized the concept of flexible office space to cater to the needs of today's dynamic business owners. Our innovative approach provides diverse revenue opportunities, extending profitability beyond the traditional confines of your workspace. Backed by a seamless turnkey business model, a robust support system, and an escalating demand for our services, we empower entrepreneurs to thrive in the evolving business landscape.

Intelligent Office recently joined the United Franchise Group family of trusted companies representing the very best in their industries. Intelligent Office offers multiple revenue streams and the ability to be profitable beyond your four walls.

Intelligent Office is part of the Vast Coworking Group, the largest privately owned coworking franchise, and today, the coworking space has become a multi-billion-dollar industry.

If you are passionate about helping businesses grow while being your own boss, Intelligent Office is a great investment opportunity for entrepreneurs.

The most meaningful part of owning an Intelligent Office franchise is helping your clients grow their businesses. By providing your clients with a business support plan, they will view you as an extension of their team. Our services are so effective that many clients stay with Intelligent Office for years.

With over 50 locations and presence in two countries, Intelligent Office is poised for growth and is a well-established brand in the coworking space for nearly 30 years.

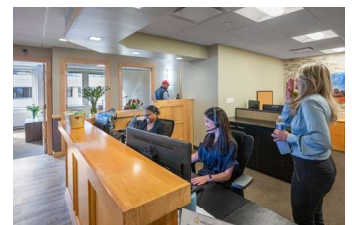

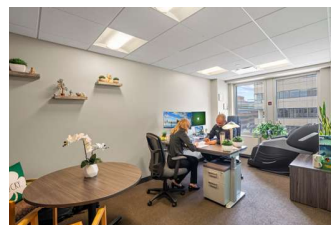

From physical office space to unique virtual services, Intelligent Office offers flexible, on-demand solutions designed to relieve the day-to-day administrative tasks for clients.

The Intelligent Office difference: The Path to Freedom™. As a business expert, you will help determine how your clients can be most successful in your space based on their needs. Whether it is a dedicated full-time professional office space, flexible office space or meeting rooms, you will create tailored plans to fit your clients' needs.

Additionally, Intelligent Office is part of the Vast Coworking Group, the largest privately owned affiliated franchise network, backed by United Franchise Group, which has been in the franchise industry for nearly 40 years.
