

Venture X is an upscale, shared workspace and flex office community that is a blend of a boutique hotel and modern office styles. The beautifully designed spaces are welcoming, inspiring, and collaborative providing a rich work environment for its members. Not just for tech companies or start-ups, Venture X appeals to a wider membership base that includes working professionals, freelancers, remote workers, and teams from large corporations. Each Venture X location has flexible turnkey workspace solutions with consciously crafted amenities welcoming members every day so they can focus on growing their business.

Today, more and more professionals are proving that they can do their jobs remotely. Experts believe that it will become increasingly common for professionals to split their time between working from home and from a flexible office setting, such as Venture X. By 2026, The Bureau of Labor Statistics estimates 67.6 million Americans will be freelancers, temps, independent contractors, or entrepreneurs, making up a 9% growth of the workforce. As this number grows, not only in the U.S., but around the world, so will the demand for coworking spaces.

There's something for everyone at Venture X. Wide open spaces for those who want ongoing collaboration and private offices for those who need them. Conference rooms for in-person or virtual meetings are designed with state-of-the-art technology complete with secure and high-speed internet. Ongoing social and educational events help workers to learn, network, and grow their businesses. Members have unlimited access to a network of locations across the globe.

Venture X provides exclusive amenities for its coworking members with concierge-level services, fully equipped meeting rooms, turnkey office solutions, and convenient 24/7 access. Membership plans vary to meet any professional business's needs.

Venture X is part of Vast Coworking Group, the largest privately owned affiliated franchise network and a division of United Franchise Group (UFG), which has been in the franchise industry for nearly 40 years. Being backed by a large organization gives Venture X the ability to work with top-of-line firms and companies to provide the best design, spaces, and amenities in coworking.

Like Venture X members, the franchisees are local entrepreneurs.
